4th Annual Pentathlon!
and BBQ
August 25th , 2012

The most fun you will have all year!

Opening date NOW! Closing date Aug. 15th !

Cottonwood Riding Club is an all inclusive barn and we were looking for an event that included all of our boarders.
What a better way to do that than to have a team event with 5 different equestrian activities.
How does this work you may ask? Each team is made up of 6 people. Each person on the team must complete each event
The events are; polo, barrels, jumping, trail and dressage.

Polo – Each person must hit with the right hand 2 shots. Your score will be determined by the distance you hit the ball. Their will be bonus points if you make it into the goal, it will be just like a shuffle board.
Barrels – This is a faster time wins event. Just run the barrels as fast as you can!!!
Jumping – This is where it gets fun! Gambler's Choice. You will have 1 minute to jump as many fences as you can. There is no course posted but each fence is assigned a point value. He who gets the most points WINS!
Trail – Is your horse good on the trail? Can you open a gate, mount and dismount on the field? If so this is your place to shine. This is the only event where the entire team will participate at the same time.
Dressage – A quadrill test will be posted for all teams to practice. Make it fun! Remember team spirit awards are given. Riding to music is allowed you must bring your own music and a person to get it started for you.
Awards are given for each event (individual event scores) as well as a team Champion and Reserve Champion!
And best team costume. Prizes given for the team that donates the most food by weight to the Food Bank of the Rockies!
Team start times will be posted at www.cottonwoodridingclub.com

---

(Please fill out the entry form below and return to Cottonwood Riding Club entries are limited so please send them in ASAP)
The charge is $300 per team!
Team Theme/name (there is an award for best costume)_____
